

MOOSH ENTREPRENEURSHIP CLUB

Empowering kids with confidence, creativity, and problem-solving skills to shape their future.

OVERVIEW

MOOSH is introducing a brand-new after-school entrepreneurship club designed to spark creativity, teamwork, and confidence.

In the Entrepreneurship Club, children will:

- Dream up ideas they care about
- Design and make real products
- Learn basic money and marketing skills
- Work together as a team — and have fun doing it!
- Run their very own market stall at the Manly Village Markets — all by themselves!

ABOUT THE FACILITATOR

Evelina is a mum with two daughters — Emilia (Year 2) and Felicia, who graduated from Manly Village in 2023. Felicia and her friends have been successfully running a market stall at the Manly Village Markets throughout 2025. You can visit them at the next market on 20 December 2025!

Evelina is passionate about education and helping kids build 21st-century skills. She brings over 20 years of experience across technology and banking, she volunteers as an ethics teacher at Manly Village Public School, and is dedicated to helping children grow their creativity, confidence, and sense of purpose.

“MOOSH Entrepreneurship Club is not one where every child becomes an entrepreneur. It’s a place where every student develops the confidence, creativity and problem-solving skills to shape their own future and contribute meaningfully to their community.”

Available to all MOOSH-enrolled children — book now to secure your child’s place in this exciting program.
